The Fall

From the series 'The Fall' by J.M.W. Turner, 1991. The series consists of three panels, each depicting a different scene from the story of the Fall of Man. The first panel shows Adam and Eve in the Garden of Eden, the second panel shows the Fall of Man, and the third panel shows the Fall of Man in a modern, industrial setting. The series is a commentary on the human condition and the impact of technology on society.
